EXHIBIT A

E030233

Main Schedule: Question 12: Description

Applicant is seeking an STA for an existing station operation. Simultaneously, applicant has filed an application to modify its existing license to repair an inadvertent clerical error regarding station location coordinates which was recently discovered. The application for this license modification is for a 2.4 meter ku-band antenna, located in Baltimore, MD, used to provide digital connections for private networks located in the U.S., Central America and the Caribbean.
