WB36 SES-STA-20070511-00641
Telenor Satellite, Inc.

Conditions:

1. Operations using the Estrela Do Sul satellite at 63° W.L. shall be on an unprotected basis. Telenor shall not claim protection from, and is required to accept interference from, other lawfully operating satellites or radiocommunication systems.
2. 24 Hour Contact: Applicant has provided the name and telephone number of a contact person in the United States, available seven days a week, twenty-four hours a day, for cessation of emissions from suspected source of interference in the event of need to resolve interference issues, on direction from authority with jurisdiction for licensing in the area of operation.
3. Any action taken or expense incurred as a result of operations pursuant to this special temporary authority is solely at Telenor's own risk.
4. This STA may be terminated or modified at the International Bureau's discretion, without a hearing, if conditions warrant.
