12. Description

ORBIMAGE seeks to renew the STA granted on May 8, 2007 (File No. SES-STA-20070508-00566). Grant of this renewed STA would allow ORBIMAGE to continue operation of this ground station pending Commission action on the application for full authority filed by ORBIMAGE on May 7, 2007 (File No. SES-LIC-20070508-00569). This would, in turn, serve the public interest by allowing ORBIMAGE to continue receiving remote sensing data at this location and providing that data to U.S. government and commercial users, as detailed in the application for full authority.
