**MOTION TO DESIGNATE PROCEEDING AS PERMIT BUT DISCLOSE**

VIZADA Services LLC (“VIZADA”) hereby requests that the Commission designate VIZADA’s above-captioned request for extension of special temporary authority as permit but disclose under the Commission’s rules governing *ex parte* communications.<sup>1</sup>

The extension request seeks continuing authority for VIZADA to offer Innarsat’s Broadband Global Area Network (“BGAN”) service. The Commission recently granted a request by Innarsat to designate a number of pending proceedings relating to BGAN service, including VIZADA’s previous STA extension request, as permit but disclose for *ex parte* purposes.<sup>2</sup> Similar treatment is warranted for VIZADA’s most recent extension request for the reasons presented in the Innarsat motion. Grant of permit but disclose status here will serve the public interest by facilitating discussion with Commission staff concerning the issues raised by VIZADA’s BGAN STA extension request.

For the foregoing reasons, VIZADA respectfully requests that the Commission classify the above-captioned STA extension request as permit but disclose for *ex parte* rule purposes.
