Office of the Secretary

**MOTION TO DESIGNATE PROCEEDING MVS USA, INC. AS
“PERMIT-BUT-DISCLOSE”**

MVS USA, Inc. (“MVS USA”) by its attorneys, hereby requests that the Commission designate MVS’s above-captioned request for extension of special temporary authority (“STA”) as “permit-but-disclose” under the Commission’s rules governing *ex parte* communications.¹

The extension request seeks continuing authority for MVS to offer Inmarsat’s Broadband Global Area Network (“BGAN”) service. The Bureau recently granted Inmarsat’s motion to designate a number of pending proceedings relating to BGAN service, including MVS’s previous STA extension requests, as “permit-but-disclose” for *ex parte* purposes.² Identical treatment is warranted for MVS’s most recent extension request for the reasons presented in Inmarsat’s motion. Grant of “permit-but-disclose” status here will serve the public interest by facilitating discussion with Commission staff concerning the issues raised by MVS’s BGAN STA request.

¹ 47 C.F.R. § 1.1200 *et seq.*

² See Motion of Inmarsat Ventures Limited to Designate Proceedings as “Permit-But-Disclose,” File Nos. SES-STA-20070814-01092 etc., grant stamp dated October 10, 2007; Public Notice, Rep. No. SES-00973, at 19 (IB rel. Oct. 17, 2007).

For the foregoing reasons, MVS respectfully requests that the Commission classify the above-captioned STA extension requests as “permit-but-disclose” for *ex parte* rule purposes.

Respectfully submitted,

MVS USA, INC.
