

services, finding the change in *ex parte* status “will facilitate resolution of the complex policy issues raised in the application.”³ As in the other currently pending proceedings to provide Immarsat services, permit-but-disclose status in File No. SES-STA-INTR2007-02723 would serve the public interest by facilitating discussion with Commission staff to address the issues raised in this proceeding.

For the foregoing reasons, SkyWave respectfully requests that the Commission designate the *ex parte* status of this proceeding as “permit-but-disclose.”

Respectfully submitted,
