Re: SES-STA-20071221-01738 (Call Sign KB34)

Dear Ms. Dortch:

On December 27, 2007 Vizada, Inc. (Vizada) filed a supplemental letter revising the emission designator listed in the above-referenced Special Temporary Authority application from 1K65G1D to 2K50D1D.

By this filing, Vizada wishes to withdraw the December 27, 2007 supplemental letter because the original 1K65G1D emission designator is correct.

Please contact the undersigned with any questions about this filing.

Respectfully submitted,

/s/ Robert W. Swanson
