## **12. Description**

We request the additino of 1.2m and 1.8m remote dish antennas to our blanket US VSAT Network License (File Number SES-LIC-20040112-00024). There is an immediate need for these 1.2 and 1.8-meter antennas to provide services to customers. The antennas are in some cases on site and only await FCC approval, whereupon they will commence service. The public interest will be served by this STA because members of the public now will be able to use the digital services that these antennas provide.
