Conditions:

The 17.8 - 20.2 GHz band is shared with U.S. Government space stations and associated earth stations in the fixed-Satellite Services. Services within the United States over the satellite network of which this is a cooperating earth station are subject to coordination under USS334 and operation of the earth station(s) authorized herein will be subject to any technical constraints resulting from this coordination.

For the D1 I testing at 100.7 W.L., NTTA requests that a notification email be sent to edavison@ntia.doc.gov and jmcfall@ntia.doc.gov when testing starts and ceases.

The stop buzzer POC, Ben Mui, phone 310 245 3671, be available 24/7 during testing in case requested to cease operations.
