**RE: SES Americom, Inc., File No. SES-STA-20080801-01009
 Call Sign Correction**

Dear Mr. Kotler:

SES Americom, Inc. ("SES Americom"), by its attorneys, hereby advises the Commission that the grant of the above-referenced request for special temporary authority ("STA") contains a typographical error with respect to the call sign. The STA request relates to SES Americom's pending application for authority for earth station on vessel service under call sign E060335. However, the description at the top of the STA application form incorrectly identified E060355 as the relevant call sign. Although the response to item 12 later in the application contained the correct call sign and the correct underlying license application file number, the incorrect call sign appears in the granting document.

SES Americom requests that the Commission take any necessary steps to ensure that its records associate the grant of the above-referenced STA request with the correct call sign, E060335. Please let me know if you have any questions concerning this matter.

Respectfully submitted,

Karis A. Hastings
Counsel for SES Americom, Inc.
