3. All operations shall be on an unprotected and non-harmful interference basis, i.e., MTN License Corp. shall not cause harmful interference to, and shall not claim protection from, any other lawfully operating station. In the event of any harmful interference as a result of MTN License Corp.'s operations, MTN License Corp. shall cease operations immediately upon notification of such interference, and shall inform the Federal Communications Commission (FCC), in writing, immediately of such an event.

4. This authorization is not one relating to an "activity of a continuing nature" for purposes of Section 1.62 of the Commission's rules and Section 558(c) of the Administrative Procedure Act. Continuation of operations beyond the 30 day term of this authorization will require prior affirmative authorization by the FCC.
