

Space Communications Corporation

SCC and NTV acknowledge that the use of the SWE-DISH non-conforming antenna will not cause unacceptable interference into adjacent satellites in accordance with the FCC's 2-degree spacing policy and will not seek any additional protection compared to the case of an earth station employing an antenna conforming to the reference patterns defined in §25.209 of the FCC rules.

Sep,18 2008

Sincerely,

Mitsuru Sasanuma
General Manager, Network Service Engineering Division
Space Communications Corp.

Acceptance by NTV

NTV testifies that the information provided to SCC and reflected in this Affidavit letter is true and accurate to best of NTV's knowledge.
