Dear Ms. Dortch:

SkyWave Mobile Communications, Corp. ("SkyWave") was recently granted special temporary authority ("STA") to use the Inmarsat 2F1 satellite at 142° W.L. for 30 days. *See* File No. SES-STA-20081210-01591 (filed Dec. 10, 2008). Pursuant to condition 3 of that STA, the International Bureau ("the Bureau") has requested that SkyWave provide certain technical information listed in Sections 25.114(c) and (d) of the Commission's rules, 47 C.F.R. §§25.114(c) and (d), for the Inmarsat 2F1 satellite.

On December 15, 2008, Vizada, Inc. ("Vizada") filed with the Bureau a Schedule S and corresponding technical information for the Inmarsat 2F1 satellite. *See* File No. SES-AMD-20081215-01614 (filed Dec. 15, 2008). SkyWave hereby incorporates by reference the Schedule S and the technical information submitted by Vizada for the Inmarsat 2F1 satellite, and requests that this information be included in SkyWave's STA file, File No. SES-STA-20081210-01591, in satisfaction of condition 3 of its STA.

Enclosed please find an original and five copies of this letter and an additional copy to be date-stamped and returned with our messenger. If you have any questions concerning this letter, please do not hesitate to contact me.

Respectfully submitted,

Marc A. Paul
