Re: KB27 STA Duration

Dear Secretary Dortch:

SES Americom, Inc. has been informed that the request for Special Temporary Authority for earth station KB27 to perform TT&C for NSS-9 commencing 2/20/09 and lasting 180 days (FCC file No. SES-STA-20090109-00024) was not filed early enough to be placed on public notice. Therefore, SES Americom is hereby requesting that the period of Special Temporary Authority be changed to 30 days commencing 2/20/09.

Thank you for your attention to this matter.

Sincerely,

David A. Barton
Engineer, Ground Systems
