Solo Satellite Communication
Special Temporary Authority (STA) Request
C-Band Earth Station - Memphis, TN

Solo Satellite Communications hereby requests a Special Temporary Authority (STA) to allow for temporary operation of a C-band earth station from Memphis, Tennessee at The Racquet Club of Memphis. This C-Band earth station will be utilized to broadcast sporting events from this location.

Solo Satellite Communications currently owns and operates a transportable earth station licensed under Call Sign E060002 - File Number SES-LIC-20060105-00008. This transportable is licensed for a satellite arc of 58 - 143 degrees West Longitude. However, due to limited satellite transponder availability during the Winter Olympics the only transponder available for the duration of this event is on IS 805 located at 55 degrees West Longitude. IS-805 is on the permitted list.

Solo Satellite Communications hereby requests this STA for operation for a two week time frame beginning on February 17, 2010.

Included with this filing are the following.

Radiation hazard study
Frequency Coordination Exhibit

A copy of this STA request was sent to the FCC office in Columbia
