**RE: File Nos. SAT-STA-20100408-00068 (Call Sign S2807) and  
SES-STA-20100408-00419 (Call Sign E040303)  
Notification of SES Americom, Inc. pursuant to § 1.65**

Dear Ms. Dortch:

SES Americom, Inc. (“SES Americom,” doing business as “SES WORLD SKIES”),<sup>1</sup> by its attorneys and pursuant to Section 1.65 of the Commission’s rules, hereby updates the above-referenced applications relating to in-orbit testing of the SES-1 satellite (the “IOT Applications”) in order to correct a typographical error and report on the status of terrestrial coordination.

Correction: The table on the first page of Attachment 1 to the IOT Applications has a typographical error in the final column concerning earth station E040303, which is to be used for testing of the SES-1 17/24 GHz Broadcasting Satellite Service (“BSS”) payload. The frequency range for the 17/24 GHz BSS IOT should be “17.3-18.8 GHz; 24.75-25.25 GHz.” The last value in the table as filed was 24.25 GHz, which is incorrect.

Coordination Update: In the IOT Applications, SES WORLD SKIES reported that it was in the process of coordinating the use of the E040303 earth station for IOT of the 17/24 GHz BSS payload with Fibertower Spectrum Holdings LLC (“Fibertower”), which holds

---

<sup>1</sup> On September 7, 2009, SES S.A. announced that the newly integrated operations of its two indirect subsidiaries, New Skies Satellites B.V. and SES Americom would be conducted under a single brand name, SES WORLD SKIES. The new brand name does not affect the underlying legal entities that hold Commission authorizations or U.S. market access rights.

Ms. Marlene H. Dortch

authorizations to provide DEMS service in the 24 GHz band within the SMSA in which E040303 is located as well as in adjacent SMSAs. SES WORLD SKIES is in discussions with Fibertower, and hopes to conclude those discussions shortly. SES WORLD SKIES will provide a further update as soon as a resolution has been reached.

Please direct any questions regarding this submission to the undersigned.

Respectfully submitted,

*/s/ Karis A. Hastings*
