

**Vizada, Inc.**  
**Request for Special Temporary Authority**

By this filing, Vizada, Inc. (“Vizada”) renews its request for special temporary authority to communicate with the Inmarsat 4F3 satellite located at 97.65 degrees W.L. via its earth station located at Santa Paula, California (callsign E980136). The current STA is File No. SES-STA-20100420-00459.

Vizada has an earth station modification application pending (File No. SES-MFS-20100119-00089) to add the Inmarsat 4F3 satellite, new emission designators, and new frequencies to its 16.4 meter antenna at Santa Paula licensed under callsign E980136.

We apologize for the short delay in filing this renewal that occurred as a result of a technical issue with IBFS and respectfully request *nunc pro tunc* acceptance of the filing as of the June 24, 2010 deadline of the expiration of the previous STA.

Vizada respectfully requests that the Commission grant this STA for 60 days, beginning June 24, 2010.
