RE: Allen Holdings, Inc. d/b/a Allen Communications
E100091
Kapolei, Hawaii

Dear Ms. Dortch:

On August 6, 2010, Allen Holdings, Inc. d/b/a Allen Communications ("Allen") filed an application for license for a new satellite earth station at Kapolei, Hawaii (E100091/File No. SES-LIC-20100809-01023), which requested standard C-band and Ku-band frequencies, as well as extended C-band frequencies. Allen also filed a "prior use" STA request to commence operation of E100091 to provide service to the U.S. Navy (Submission ID: IB2010002490). Allen hereby clarifies that its STA request is only to use the standard C-band frequencies and not the extended C-band frequencies.

Should any questions arise concerning this matter, please contact this office.

Very truly yours,
FLETCHER, HEALD & HILDRETH, PLC

Frank R. Jazzo
Counsel for Allen Holdings, Inc.
d/b/a Allen Communications
