12. Description

GUSA Licensee LLC is seeking special temporary authority to operate an earth station antenna in Clifton, TX, for constellation maintenance and station-keeping of satellites launched as part of Globalstar's second-generation constellation, and, in particular, those satellites launched on July 13, 2011 (from Baikonur, Kazakhstan). The satellite manufacturer needs to continue the testing of service link transponder of the satellites to affirm the post-launch health to verify the performance of the individual satellites.
