Dear Ms. Dortch:

EchoStar Broadcasting Corporation and SES Americom, Inc. take this opportunity to update the information provided to the Commission in the above-referenced files. Specifically, based on the latest information received from the UK Space Agency:

- The United Kingdom will register QuetzSat-1 as a UK space object on the space object registries of the United Nations and the United Kingdom.
- The United Kingdom will remain the State of registry of the QuetzSat-1 spacecraft for purposes of the UN Convention on the Registration of Objects Launched into Outer Space even after the present U.K. space activity license for QuetzSat-1 expires.

Please let us know if you have any questions regarding this submission.

Respectfully submitted,

/s/
