Re: Request for Further Extension of Special Temporary Authority Hagerstown, Maryland 14.2 m Earth Station KA258

File No. SES-MFS-20111115-01355

Dear Ms. Dortch:

Intelsat License LLC ("Intelsat") herein requests a 60-day extension -- through July 24, 2012 -- of the Special Temporary Authority ("STA")¹ previously granted Intelsat to use its Hagerstown, Maryland Ku-band earth station, call sign KA258, prior to grant of permanent operating authority.² Specifically, Intelsat seeks a further extension of its STA to continue supporting continuity of services during the migration of Intelsat's teleport operations from Clarksburg, Maryland to Hagerstown, Maryland.

Intelsat has a pending application to modify its current license to authorize the relocation of this antenna to Intelsat's Hagerstown, Maryland teleport on a permanent basis.³ Intelsat seeks this STA extension in order to continue with antenna testing. This testing serves the public interest by ensuring that the antenna can carry services for customers as soon as the antenna is permanently licensed at Intelsat's Hagerstown teleport.

In support of this further extension request, Intelsat incorporates by reference its pending application for authority to relocate this antenna on a permanent

basis.⁴ The application contains detailed technical information that demonstrates that the operation of the earth station will be compatible with its electromagnetic environment and will not cause harmful interference into any lawfully operating facility. In the extremely unlikely event that harmful interference should occur, Intelsat will take all reasonable steps to eliminate the interference.

Please direct any questions regarding this STA further extension request to the undersigned at (202) 944-7848.

Respectfully submitted,
