Special Temporary Authority

NewCom International, Inc. (NewCom) is granted special temporary authority for a period of 30-days, from September 24, 2012, through October 23, 2012, to communicate with the Intersputnik Express AM44 space station (AM44) at the 11° W.L. orbital location in the 3705-3745 MHz and 4005-4045 MHz. (space-to-Earth) and 6030-6070 MHz and 6330-6370 MHz (Earth-to-space) frequency bands. AM44 operates at 11° W.L. pursuant to a license issued by the Russian Federation. Operations must be within the emission parameters defined in the coordination report submitted with this application and are subject to the following conditions:

1. All operations under this grant of special temporary authority shall be on an unprotected and non-harmful interference basis, *i.e.*, NewCom shall not cause harmful interference to, and shall not claim protection from interference caused to it by, any other lawfully operating radiocommunication system.
2. In the event of any harmful interference as a result of the operations under this grant of special temporary authority, NewCom shall cease operations immediately upon notification of such interference and shall immediately inform the Commission, in writing, of such an event.
3. This earth station is not authorized to use Intersputnik Express AM44 to provide any Direct-to-Home (DTH) service,
4. Any action taken or expense incurred as a result of operations pursuant to this grant of special temporary authority is at NewCom's own risk.
5. This action is without prejudice to any enforcement action concerning operations prior to the grant date.
6. Grant of this authorization is without prejudice to any determination that the Commission may make regarding any request for regular authority to add AM44 as a point of communication.
7. This action is issued pursuant to Section 0.261 of the Commission's rules on delegated authority, 47 C.F.R. §0.261, and is effective immediately.
