

Prior Use STA Request

Antenna Technology Communications, Inc. d/b/a ATCI filed an application for *pro forma* assignment of Earth Stations E010254 and E010255 to commonly owned Strung From the Moon, LLC, File Number SES-ASG-INTR2012-02799. This prior use STA request seeks authority to proceed with the proposed *pro forma* assignment prior to grant. This authority will permit the closing of a major investment in ATCI. For business and tax reasons, the parties need to close the transaction prior to December 15, 2012.
