REQUEST FOR EXTENSION OF SPECIAL TEMPORARY AUTHORITY

Gentlemen:

On behalf of Corridor Television, L.L.P. ("Corridor"), we hereby request an extension of the special temporary authority ("STA") initially granted on January 25, 2013 to operate a Temporary-Fixed earth station in the 14.00-14.50 GHz (Earth-to-space) and in the 11.70-12.20 GHz (space-to-Earth) frequency bands via a satellite truck to be used for remote broadcasts on KCWX(TV) in the Fredericksburg, Texas area. The expiration date of Corridor's current STA is February 24, 2013. As noted in our original request, this STA is needed pending Commission action on the underlying application for this facility, which has been assigned call sign E130030.

Should there be any questions concerning this matter, please communicate with the undersigned counsel.

Very truly yours,

Davis Wright Tremaine LLP
