12. Description

Gogo LLC (Gogo) respectfully requests a 60-day extension of the special temporary authority (STA) it was granted in File No. SES-STA-20130107-00018 to permit operation of up to 20 Ku-band earth station aboard aircraft (ESAA) terminals for in-flight testing. Authority is sought pending Commission action on Gogo's underlying application as amended for an ESAA blanket license under Call Sign E120106. Gogo incorporates by reference the materials filed in support of SES-STA-20130107-00018 and seeks continued authority subject to the same conditions imposed in the grant of that request.
