Dear Mr. Blais,

We have just realized an administrative error on our part with regard to two pending applications and would like to request that the correct file numbers be associated with the relevant filings. Specifically, we would be grateful if you would kindly change in the FCC's database:

- a) the call sign for file number SES-STA-20130611-00484 from "E100088" to "E130021"
- b) the call sign for file number SES-STA-20130522-00441 from "E100088" to "E130021"

Please let us know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Joslyn Read".
