

Request for Extension of STA

The applicant requests extension of Special Temporary Authority (“STA”) to operate a temporary fixed satellite at various locations throughout the United States and its territories in the manner described in the original STA request (File No. SES-STA-20140630-00554), which the Commission granted on July 29, 2014. The applicant is concurrently filing an application on form 312 for permanent authority to operate with the facilities set forth in its STA.
