Description

DG Consents Sub, Inc. (“DG Consents”), pursuant to Section 25.120(b)(3) of the Commission’s rules, 47 C.F.R. § 25.120(b)(3), hereby requests a 60-day extension of its existing Special Temporary Authority (“STA”) to communicate with the GeoEye-1 space station (Call Sign S2348) using its earth station license operating under Call Sign E120040 in Rock Springs, Wyoming.¹ See File No. SES-STA-20150120-00014. The existing STA expires on April 1, 2015, and DG Consents requests an extension through May 30, 2015.

The requirement to communicate with GeoEye-1 will continue past the April 1 expiration of the existing STA, thereby necessitating this request to extend the STA for an additional 60 days.² DigitalGlobe agrees to operate on a special temporary basis subject to the conditions included with the initial STA grant. Grant of this request will serve the public interest by allowing DigitalGlobe to continue to communicate with GeoEye-1, pending Commission action on the application to add GeoEye-1 as a new Point of Communication.

In summary, DG Consents respectfully requests that the Commission grant this request for extension of its Special Temporary Authority for a period of 60 days through May 30, 2015.

¹ DG Consents is a wholly owned subsidiary of DigitalGlobe, Inc. (“DigitalGlobe”).

² DG Consents has filed a request to add GeoEye-1 as a Point of Communication to the Wyoming earth station authorization, thereby making communications with the satellite a permanent component of the license. *See* File No. SES-MOD-20140717-00604, as amended by File No. SES-AMD-20140725-00620. That request was accepted for filing on August 6, 2014, *see* Public Notice, Report No. SES-01670, and remains pending before the Commission.
