File No. : SES-STA-20160122-00074

Nexstar Broadcasting, Inc., (Nexstar) was granted special temporary authority for 60 days, beginning January 23, 2016, to operate a temporary fixed earth station within the continental United States to communicate with the Permitted List satellites in 14.0-14.5 GHz (Earth-to-space) frequency band under the following conditions:

- 1) Operations are on a non-protected basis. Nexstar may not claim protection from interference caused to it by any other lawfully operating station.
- 2) Grant of this authorization is without prejudice to any action on any pending or future applications.
- 3) Any action taken or expense incurred as a result of operations pursuant to this special temporary authority is solely at Deere's risk.

This action is issued pursuant to Section 0.261 of the Commission's rules on delegated authority, 47 C.F.R. § 0.261, and is effective immediately.
