Re: Request for Special Temporary Authority
Earth Station KL92
File No. SES-STA-20160205-00121

Dear Ms. Dortch:

Intelsat License LLC (“Intelsat”) herein supplements its above referenced request for Special Temporary Authority (“STA”) to use the above referenced earth station to provide launch and early orbit phase (“LEOP”) for the Eutelsat-65W satellite. Specifically, the launch date has changed from March 8, 2016 to March 4, 2016. The first paragraph should now read:

Intelsat License LLC (“Intelsat”) herein requests a grant of Special Temporary Authority (“STA”) for 30 days, commencing **March 4, 2016**, to use its Castle Rock, Colorado Ku-band earth station—call sign KL92—to provide launch and early orbit phase (“LEOP”) services for the Eutelsat-65W satellite. Eutelsat-65W is expected to be launched on **March 4, 2016**. The LEOP period is expected to last approximately 10 days.

Please direct any further questions regarding this STA request to the undersigned at (703) 559-6949.

Sincerely,

Cynthia J. Grady
Regulatory Counsel
Intelsat Corporation
