**Extension Request
Special Temporary Authority**

NBC Telemundo License LLC hereby requests extension of Special Temporary Authority SES-STA-20180215-00124, granted February 16, 2018 (the "STA"), for use prior to grant of pending license application SES-LIC-20180216-00125, Call sign E180022.

As per the original STA:

During the STA period, the temporary fixed earth station antenna will operate in Southern Florida with the SES-3 (S2892) satellite at the 103^o W.L. orbital location in 14.0-14.5 GHz (Earth-to-space) and 11.7-122 GHz (space-to-Earth) frequency bands under the following conditions:

1. Operations shall not cause harmful interference to, and shall not claim protection from, interference caused to it by any other lawfully operating station and it shall cease transmission(s) immediately upon notice of such interference.
2. In the event that there is a report of interference, NBC Telemundo License LLC will immediately terminate transmissions and notify the FCC in writing.
3. Any action taken or expense incurred as a result of operations pursuant to this STA is solely at NBC Telemundo License LLC's risk.
4. NBC Telemundo License LLC shall take all reasonable and customary measures to ensure that the earth station does not create a potential for harmful non-ionizing radiation to persons who may be in the vicinity of the earth station when it is in operation. The earth station operator shall be responsible for assuring that individuals do not stray into the regions around the earth station where there is a potential for exceeding the maximum permissible exposure limits.
5. Grant of this STA is without prejudice to any determination that the Commission may make regarding any pending or future applications.
6. During operations the temporary fixed earth station operator will be available to respond to interference issues and shut down operations if needed.
