Re: Alaska Communications Internet LLC – Section 1.65 Submission to Update Information in Pending Application for Special Temporary Authority, File No. SES-STA-20180413-00353, Call Sign E170205

Dear Ms. Dortch:

Pursuant to Section 1.65 of the Commission's rules, 47 C.F.R. § 1.65, Alaska Communications Internet LLC ("Alaska Communications Internet") updates certain information in connection with the above-referenced Application for Special Temporary Authority ("STA Application").

The STA Application seeks temporary authority to operate a new satellite earth station site at Excursion Inlet, Alaska, while its application to add that site to its commercial C-band network license, Call Sign E170205, is pending. Footnote 2 of the STA application refers to that application as "SES-MOD-INTR2018-00919." By this letter, Alaska Communications Internet provides the permanent file number for that application, File No. SES-MOD-20180413-00352.

Please do not hesitate to contact me with any questions regarding this notification.

Very truly yours,
