Subject: Planet Labs Inc., File SES-MOD-20170407-00446, Call Sign E140040,
Withdrawal of Modification Application

Dear Ms. Dortch,

Planet Labs Inc. hereby withdraws the above-referenced earth station modification application. Challenges have arisen for the site development of the earth station and coordination with Federal operators remain unresolved, and therefore diminishing its value to Planet Labs. The existing earth station facility has been decommissioned and its associated authorization (E140040) surrendered, and therefore a modification application is no longer necessary. For technical questions regarding this letter, please contact Craig Scheffler, Spectrum Manager for Planet Labs, craig@planet.com, (720)-238-5634.
