Request For Special Temporary Authority

United Teleports requests earth station temporary authority ("STA") for a period of 180 days beginning on or about April 15, 2018, to support SES Americom, Inc ("SES") in the communication with ASTRA 1D spacecraft in order to provide Tracking, Telemetry and Command ("TT&C").

SES was previously granted an STA for TT&C operation of ASTRA 1D under SES-STA-20170323-00336 on Call Sign E050287. The operations proposed with United Teleports 7 meter Ku-band antenna will be identical to the authorization granted for SES for TT&C with ASTRA 1D. United Teleports is not requesting U.S. market access or any other authorization from the Commission in relation to the non-U.S.-licensed ASTRA 1D spacecraft, and therefore is not providing full technical information about the ASTRA 1D satellite as part of this application.

Grant of this request is in the public interest as the requested TT&C authority will facilitate the safe operation of ASTRA 1D.

Requested waiver of Sections 25.137, 25.114 and 25.210(j) in this STA request are consistent with the waivers requested by the SES STA grant SES-STA-20170323-00336 on Call Sign E050287. United Teleports is not seeking authority to communicate with ASTRA 1D for purposes of providing U.S. service within the meaning of 25.137.

The STA request will be limited to TT&C operations on ASTRA 1D with this 7 meter earth station antenna.

United Teleports Inc. is granted special temporary authority ("STA") for 180 days to operate its fixed earth station in Saint Lucie, Florida located at geographical coordinates 27° 16' 56.5" N, 80° 28' 58.6" W (NAD-83) to provide telemetry, tracking, and command ("TT&C") service for the ASTRA 1D satellite during drifts from 47.3 W.L. to 72.5 W.L. and during temporary operations at 72.5 W.L. using the following frequencies: 14013.00 MHz and 14493.00 MHz (Earth-to-space), and 11447.50 MHz and 11454.00 MHz (space-to-Earth) under the following conditions:

- 1 All operations under this STA shall be on an unprotected and non-harmful interference basis. United Teleports Inc. shall not cause harmful interference to, and shall not claim protection from interference caused to it by, any other lawfully operating radio communication system.
2. In the event of any harmful interference as a result of operations under this grant, United Teleports Inc. shall cease operations immediately upon notification of such interference and shall immediately inform the Commission, in writing, of such an event.
3. Grant of this STA is without prejudice to any determination that the Commission may make regarding pending or future United Teleports Inc. applications.
4. Any action taken or expense incurred as a result of operations pursuant to this special temporary authority is solely at United Teleports Inc., Inc.'s risk.

This grant is issued pursuant to Section 0.261 of the Commission's rules on delegated authority, 47 C.F.R. ss 0.261, and is effective upon release.
