WILLFUL FALSE STATEMENTS MADE ON THIS FORM ARE PUNISHABLE BY FINE AND / OR IMPRISONMENT (U.S. Code, Title 18, Section 1001), AND/OR REVOCATION OF ANY STATION AUTHORIZATION (U.S. Code, Title 47, Section 312(a)(1)), AND/OR FORFEITURE (U.S. Code, Title 47, Section 503).	

**FCC NOTICE REQUIRED BY THE PAPERWORK REDUCTION ACT**

The public reporting for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the required data, and completing and reviewing the collection of information. If you have any comments on this burden estimate, or how we can improve the collection and reduce the burden it causes you, please write to the Federal Communications Commission, AMD-PERM, Paperwork Reduction Project (3060-0678), Washington, DC 20554. We will also accept your comments regarding the Paperwork Reduction Act aspects of this collection via the Internet if you send them to [PRA@fcc.gov](mailto:PRA@fcc.gov). PLEASE DO NOT SEND COMPLETED FORMS TO THIS ADDRESS.

Remember – You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a currently valid OMB control number or if we fail to provide you with this notice. This collection has been assigned an OMB control number of 3060-0678.

**THE FOREGOING NOTICE IS REQUIRED BY THE PAPERWORK REDUCTION ACT OF 1995, PUBLIC LAW 104-13, OCTOBER 1, 1995, 44 U.S.C. SECTION 3507.**

## **12. Description**

DIRECTV Enterprises, LLC requests special temporary authority for 30 days beginning August 1, 2018 to use its Littleton, CO earth station (Call Sign E020242) to provide telemetry, tracking, and command services for its SPACEWAY 1 satellite (Call Sign S2191) during the satellite's drift from its current location at 102.95 W.L. to its newly authorized location at 138.9 W.L.

**EXHIBIT 1**  
**REQUEST FOR SPECIAL TEMPORARY AUTHORITY**

DIRECTV Enterprises, LLC (“DIRECTV”) respectfully requests a grant of special temporary authority (“STA”)<sup>1</sup> for 30 days commencing August 1, 2018 to use its Littleton, Colorado earth station (Call Sign E020242) to provide telemetry, tracking, and command (“TT&C”) services for its SPACEWAY 1 satellite (Call Sign S2191) during the satellite’s drift from its current location at 102.95° W.L. to its newly authorized location at 138.9° W.L.<sup>2</sup>

On April 25, 2018, the Commission granted DIRECTV authority to relocate SPACEWAY 1 from 102.95° W.L. to 138.9° W.L. and to conduct TT&C functions related to drifting SPACEWAY 1 to, and maintaining the space station at, the 138.9° W.L. orbital location.<sup>3</sup> The drift to 138.9° W.L. is expected to begin on or about August 1, 2018, and the drift period is expected to last approximately 60 days. Accordingly, DIRECTV respectfully submits this STA request for authority to use the earth station to provide TT&C services to the SPACEWAY 1 satellite for the initial 30 days of the drift period beginning August 1, 2018. DIRECTV intends to file an additional, 180-day STA request to cover the remaining drift period at a later time.

The range of earth station frequencies requested to provide TT&C services for SPACEWAY 1 are:

- 29501.3021 MHz and 29509.1146 MHz (T); and
- 19701.25 MHz and 19702.25 MHz (R).

---

<sup>1</sup> DIRECTV has filed this STA request, an FCC Form 159, and a \$200.00 filing fee electronically via the International Bureau’s Filing System.

<sup>2</sup> See *Satellite Policy Branch Information; Actions Taken*, Report No. SAT-01313, File No. SAT-MOD-20170912-00129 (Public Notice).

<sup>3</sup> See *id.*; *Modification Request to Relocate SPACEWAY 1 to 138.9° W.L. and Extend License Term*, File No. SAT-MOD-20170912-00129, Stamp Grant (Apr. 25, 2018).

The drift operations will continue to be coordinated with all operators of satellites that use the same frequency bands and are in the drift path.<sup>4</sup> All operators of satellites in that path will be provided with an emergency phone number where the licensee can be reached in the event that harmful interference occurs. In the extremely unlikely event that harmful interference should occur due to transmissions to or from its earth station, DIRECTV will take all reasonable steps to eliminate the interference.

Grant of this STA request is in the public interest because it will facilitate the relocation of SPACEWAY 1 from 102.95° W.L. to 138.9° W.L. This, in turn, will provide additional capacity to customers at the 138.9° W.L. location, thereby promoting the public interest. Accordingly, DIRECTV respectfully requests that the Commission grant this request.

---

<sup>4</sup> Intelsat License, LLC will handle the coordination.

DIRECTV Enterprises LLC- ("DIRECTV") is granted special temporary authority (STA) for 60 days, beginning August 01, 2018, to operate its Littleton, CO earth station with the SPACEWAY 1 (S2191) satellite to provide telemetry, tracking, and control ("TT&C") communications on center frequencies 29.5013021 GHz, and 29.5091146 GHz (Earth-to-space); 19.70125 GHz and 19.70225 MHz GHz (space-to-Earth) during SPACEWAY 1's drift from 102.95° W.L to 138.9° W.L orbital location subject to the following conditions:

1. Grant of this STA is without prejudice to any determination that the Commission may make regarding pending or future DIRECTV applications.
2. All operations under this grant of STA shall be on an unprotected and noninterference basis and DIRECTV is obliged to comply with the applicable laws, regulations, rules, and licensing procedures of that country.
3. DIRECTV will maintain full operational control of SPACEWAY1 satellite at all times.
4. DIRECTV will maintain SPACEWAY1 (S2191) at 138.9° W.L. with an east-west longitudinal station-keeping tolerance of +/-0.05 degree.
5. In the event of any harmful interference as a result of operations under this grant of STA, DIRECTV shall cease operations immediately upon notification of such interference and shall immediately inform the Commission, in writing, of such an event.
6. In connection with the provision of service in any particular country, DIRECTV will comply with the applicable laws, regulations, rules, and licensing procedures of that country.
7. Any action taken or expense incurred as a result of operations pursuant to this STA is solely at DIRECTV.
8. During drift operations, all transponders other than TT&C transponders will be turned off.

This grant is issued pursuant to Section 0.261 of the Commission's rules on delegated authority, 47 C.F.R. § 0.261, and is effective upon release.
