Dear Ms. Dortch:

I am writing to correct and clarify one element of the above-referenced filings, *i.e.*, the relationship between Telesat International Limited ("Telesat International") and the Telstar 18V satellite ("T18V"). Although Telesat International owns T18V, both Telesat International and its affiliate, Telesat Canada, have a role in the direction, control, and operation of the satellite.

Please direct any questions concerning this clarification to the undersigned.

Respectfully submitted,

Joseph A. Godles
Attorney for Telesat Canada
