Subject: Call Sign Clarification for Special Temporary Authority, Earth Station E190037

To whom it may concern,

On May 6, 2019, ATLAS Space Operations, Inc (ATLAS) requested Special Temporary Authority (STA), file number SES-STA-20190506, for the operation of a satellite earth station in Guam to communicate with the Global 1-4 satellites. In the application descriptions, ATLAS referenced the Global constellation (Call Sign S3032, FCC File number SAT-LOA-20180320-00023).

The FCC has assigned a call sign to the ATLAS STA referenced above with S3032. ATLAS has previously been assigned E190037 for the following file numbers:

SES-LIC-20181224-03650 (Pending)

SES-STA-20190208-00083 (Granted)

Call Sign S3032 is for the Blacksky Global Constellation 1-4.

Respectfully submitted,
