

Globecomm License Sub LLC
VSAT Earth Station License, E000277
Request for Extension of Special Temporary Authority

NARRATIVE STATEMENT

Globecomm License Sub LLC (“Globecomm”) requests an additional 60 days, beginning September 1, 2019, of special temporary authority (“STA”) previously granted for Globecomm to operate six new, 1.2-meter VSAT remote terminal types under its VSAT Earth station authorization, Call Sign E000277.¹ Globecomm has filed an application to modify its VSAT Earth station license to operate the six VSAT remote terminal types on a permanent basis.² Pursuant to Section 1.62 of the Commission’s rules, Globecomm will continue to operate pursuant to the terms and conditions of its existing STA pending action on this timely filed renewal request.³

In support of this extension request, Globecomm incorporates by reference its pending application to modify its VSAT Earth station license. The pending application contains all required technical information concerning the VSAT remote terminal types.

For purposes of this STA, Globecomm requests authorization to use the new VSAT remote terminals to communicate with the AMC-21 satellite, authorized under Call Sign S2676, at 124.9° W.L. Globecomm understands that all operations under STA will be on a non-interference basis. Globecomm does not anticipate that operation of the new VSAT remote
