DIRECTV Enterprises, LLC (“DIRECTV”) respectfully requests an extension of its grant of special temporary authority (“STA”) for an additional 60 days to add new satellite points of communication to DIRECTV’s Los Angeles, California earth station authorization (Call Sign E980285) while its underlying modification application to permanently add these satellite points of communication to the existing authorization remains pending.¹ Pursuant to Section 1.62 of the Commission’s rules,² DIRECTV will continue to operate pursuant to the terms and conditions of its existing STA³ pending action on this timely filed renewal request.
