12. Description

United Teleports respectfully requests to extend earth station special temporary authority for a period of 60 days beginning on August 10, 2021 to permit its E160081 earth station to use extended Ku-band frequencies to provide Tracking, Telemetry and Command to support the relocation of the ASTRA 2Cspacecraft to 72.5 W.L. A full description of the proposed operations is provided in an amendment application, file number SES−AFS−20210413−00673. The request is in the public interest because it will ensure safe satellite operations without causing interference to authorized users.
