

Request For Special Temporary Authority

ESPN. Inc. (“ESPN”), pursuant to 25.120(b)(3) of the Commission’s rules, hereby requests Special Temporary Authority (“STA”) effective as of 05/14/2022, and for a period of up to sixty (60) days post grant, to permit continued operations of its fixed satellite earth station Call Sign E070054 pending processing and final action on its Petition for Waiver, Reinstatement and Renewal (the “Petition”). As explained in its Petition, ESPN did not file a timely application for renewal of the License, but has submitted a fully supported Petition. Accordingly, as detailed in the concurrent filing, there is good cause for grant of the STA.
