

Intelsat License LLC
Request for Extension of Special Temporary Authority

Intelsat License LLC (“Intelsat”) herein requests an additional 30 days of Special Temporary Authority (“STA”) to operate up to 250 0.45m HiSky Ku-band antennas in the continental United States for testing, demonstrations, and customer service.¹

Specifically, Intelsat requests STA consistent with the scope of authority previously granted by the Federal Communications Commission,² as described in the prior grant of authority attached with this application in the International Communications Filing System.

Grant of this STA extension is in the public interest because it will allow Intelsat to continue to test and provide customer service using the HiSky antennas.

Respectfully submitted,

/s/ Cynthia J. Grady
