Re: Request for Special Temporary Authority to Operate New Transportable Antennas
File No. SES-STA-INTR2019-02414

Dear Ms. Dortch:

Intelsat License LLC (“Intelsat”) herein supplements its above referenced request to update a typographical error in the above reference Special Temporary Authority (“STA”). Specifically, the first paragraph should be updated to read:

Intelsat License LLC (“Intelsat”) herein requests a grant of Special Temporary Authority (“STA”) for 60 days, beginning June 30, 2019, to allow Intelsat to utilize 40 transportable Ku-band antennas (collectively, the “Antennas”), within **the United States and its territories** to communicate with Intelsat satellites. This STA will allow Intelsat to provide customer service pending grant of a permanent license.¹ ...

All other information in the STA remains unchanged.

¹ See *Intelsat License LLC, Application to License New Ku-band Transportable Antennas*, File No. SES-LIC-INTR2019-02408 (filed Jun. 12, 2019).
