

## **Need Statement**

Mr Blais:

This Special Temporary Authority is needed for humanitarian reasons to re-patriot back to Asia the crews for three Carnival cruise ships anchored off long beach California. This will be used on our 14.2 earth station, Antenna 15, license E890649 at our Santa Paula Teleport and through Eutelsat E133 WA Spacecraft.

Looking for the special temporary authority to be effective tomorrow 4-18-2020.
