Call Sign E181611
Request for 30-day Special Temporary Authorization (STA)

Maris Developments (“Maris”) seeks STA for 30 days to add Lynk Global, Inc.’s (Lynk) *Lynk the World* satellite, Call Sign WQ9XDP, as a satellite point of communication. The Commission has authorized Lynk to operate under experimental license File No. 2130-EX-ST-2019, and Lynk has a pending modification application under File No. 1433-EX-ST-2020 (the “Lynk Modification”).

Maris seeks to commence operation under this STA on October 15, 2020, conditioned upon grant of the Lynk Modification.

Maris seeks to use two Viasat 5.4m antennae to communicate with *Lynk the World*. See SES-MOD-20191121-01544, Narrative Attachment, at 2 (describing antennae); see also SES-LIC-20180827-02512 (granted in part Sept. 11, 2019).
