

**PURPOSE OF RESUBMISSION OF REQUEST FOR FURTHER EXTENSION OF
SPECIAL TEMPORARY AUTHORITY**

L3Harris Technologies, Inc. (hereafter “L3Harris”), hereby resubmits its request for extension of special temporary authority (“STA”) filed on December 20, 2021 under submission ID No. IB2021004823¹. Owing to updates to the FCC payment system, the required STA extension application fee for that filing could not be made and/or processed. In particular- a fee code of "BHD" was the only fee code available to be populated in that STA extension request within the IBFS system at the time of filing. No such fee code is available under the new CORES payment system to initiate an application payment for the L3Harris STA extension request made December 20, 2021 under submission ID No. IB2021004823. The application

This resubmission is utilizing the only available application fee code of "CGX" so that an application fee can be paid.
