Dear Ms. Dortch:

During a recent review of the FCC IBFS database, it came to my attention the Federal Registration Number ("FRN") associated with the receive-only earth stations listed above is incorrect. The correct FRN for Comcast of California/Colorado/Washington, LP is 0001604875 not 0001578038. Please update the Commission's recording accordingly.

Should you have any questions or require additional information, please contact me at (202) 973-4373 .

Sincerely,

Marlene E. Shoemaker
