Subject: Minor Amendment Attachment to Arch/Metrocall Transfer of Control Applications

Ms. Spriggs,

Per our telephone conversation, attached is a copy of the additional exhibit that should be attached (as a minor amendment) to each of the two Arch Wireless License Co., LLC transfer of control applications submitted electronically on April 9, 2004 (File Nos. SES-T/C-20040413-00546 and SES-T/C-20040413-00547). Additionally, this same exhibit should be attached (again, as a minor amendment) to the Metrocall USA, Inc. transfer of control application submitted electronically on April 12, 2004 (no file number has yet been assigned to this application, but the Submission ID number is IB2004000771). Arch and Metrocall will follow up by submitting paper copies of these three minor amendments through the FCC Secretary's office. Should you have any questions, please call me at 202-383-3377. Thank you very much for your assistance in this matter.

Sincerely,

Chris Calvert
