Re: *Pro-forma* Transfer of Control of Earth Station E930184  
File No. SES-T/C-20040428-00604  
Further Request for Extension of Consummation Period

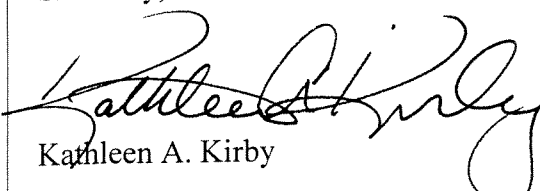

Dear Ms. Dortch:

On behalf of KRCA License Corp., the licensee of E930184, we wish to respectfully request that the period authorized for completion of the closing of this *pro-forma* transfer of control be extended for an additional 60 days until January 13, 2005.

The Commission's consent was granted on May 4, 2004. The referenced *pro-forma* transfer of control application was filed as part of an internal corporate restructuring related to the Initial Public Offering ("IPO") of Liberman Broadcasting Corporation. Since the IPO has been delayed, we hereby respectfully request an additional 60 days to consummate this transfer of control.

Kindly direct any questions concerning this matter to the undersigned.

Sincerely,

  
Kathleen A. Kirby
