Re: Request for Extension of Consummation Period, File Nos. SES-T/C-
20050217-00188 and SES-T/C-20050217-00189

Dear Ms. Dortch:

Telenor Satellite, Inc. ("Telenor") hereby files this request for extension of the transaction consummation period for the above-referenced transfer of control authorizations.

On August 16, 2005, the Commission released a Public Notice, Report No. SES-00741, authorizing the transfer of control over Telenor Satellite, Inc. from Telenor Satellite Services AS to Telenor Satellite Services Holding AS. The exact nature of the transactions for which we sought this transfer of control authority is an internal corporate restructuring to remove Telenor Satellite Services AS from the ownership chain of Telenor Satellite, Inc., the Commission licensee.

It has come to our attention that due to some unforeseen logistical difficulties, the authorized transactions will not be completed within 60 days of the authorization, as required by the Commission's Rules.¹ Therefore, we respectfully request a 60 day extension of the consummation deadline for these transactions. We are confident that a 60 day extension beyond the original October 14 deadline will give us sufficient time to complete the internal restructuring for which the Commission has granted authority.

Please contact the undersigned with any questions about this filing.
